

Setting up a Professional Medical Corporation

1. Familiarize with the requirements under the *Corporations Act, Newfoundland and Labrador* and the *Medical Act, 2011* regarding incorporating a Professional Medical Corporation.
2. File Articles of Incorporation with the Registry of Companies for the Province of Newfoundland and Labrador, ensuring all requirements outlined by the College are met.
3. Upon approval from the Registry of Companies, submit a duly completed application form, including the certified documents, and payment of the licensing and registration fee to the College.

Important:

Physicians must meet the requirements of a Professional Medical Corporation under the *Corporations Act, Newfoundland and Labrador* and the *Medical Act, 2011*.

A draft application, including articles **to be filed** with the Registry of Companies for the Province of Newfoundland and Labrador can be reviewed by the College prior to submission of the final application for a fee of \$150.00. If you would like more information, please email cpsnl@cpsnl.ca.
